

## **PRAYER TARGET: Repentance & Change**

### **DAY 2**

Today our prayer focus is repentance and change! It's so important that we come to God with a heart that is willing to change and ready to repent. Let's pray that God help us to turn from sin, distractions, and hindrances & turn wholeheartedly to Him today!

### **Be Encouraged!**

If there is anything wrong in our lives, priorities, or hearts, prayer is an awesome opportunity to confess and get it right with God! The Bible promises, "If we confess our sins, he is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness" (1 John 1:9). Be honest with God, repenting, forsaking wrong, and turning to Him. He is willing to forgive, strengthen, cleanse, and change us! Be encouraged! No sin, no distraction, no hindrance, no weakness is greater than Him.
